

The Right College. The Best Price.

PERSONALIZED COLLEGE DISCOVERY & COST TRANSPARENCY

College Raptor's free college discovery platform gives students, families, and counselors the tools they need to find great schools and overcome "sticker shock." With College Raptor, students can quickly and easily get personalized college matches and information to guide their decision process on any mobile device, tablet, or computer.

EMPOWER STUDENTS AND PARENTS

- Explore best-fit schools that match each student's academic profile, major, location, campus preferences, and financial situation
- Easily compare estimated financial aid, net prices, and admission odds at any U.S. college
- View detailed information about a school's admissions, costs, majors, and campus life

BALANCED, TRANSPARENT GUIDANCE

- Connect with college admission offices to get noticed and be recruited
- Guided list-building helps students balance "safety," "match," and "reach" schools
- Estimate total costs, student loan debt at graduation, and median starting salary
- Research college financing options

UNDERSTAND, ANALYZE, AND IMPROVE

- **Estimated Net Price:** annual cost of attendance after grants and scholarships
- **Estimated EFC:** generated by a family's finances through the FAFSA and helps determine need-based aid eligibility
- **What-If Tool:** feature unique to College Raptor to help students demonstrate how improved scores and grades can increase admission odds and scholarships
